August 3, 1866-40tf The Silver Skirt!

More Durable, More Elastic, More Graceful And will keep its Shape and retain it Place better than any other Skirt.

This new and beautiful style of Skirt (Patenfed March 7, 1865.) was awarded by the GREAT ANERI-CAN INSTITUTE FAIR, held in New York, Oct., 1865, a Silver Medal! The Highest Premium ever given for a Hoop Skirt. The Steel Springs are wound with a fine plated wire (in place of a cotton covering) which will not wear off or become soiled, and the whole Skirt may be WASHED WITHOUT INJURY or fear of rusting, and

will be as good as new., The Combination Silver Skirt!

This invention combines with the ordinary cotton Skirt the advantages of our Silver Skirt; the bottom hoopsars the same as those used in the Silver Skirt, the covering of which cannot wear off, while the upper ones are covered with cotton. No lady, having once worn one of our Skirts, will be willing to wear any other, as the lower hoops of all other The best materials are used in their construction and, from their durability and neatness they are des-
